I guess..didn't have a prayer..The owner-manager of the court was one of those creatures peculiar to Hollywood. She must have been a starlet in the Twenties or Thirties, but success had eluded her. So she had tried to freeze herself in time. She still expected, at any moment, a call from The Studio. But her flesh hadn't cooperated. Her hair was the color of tarnished copper, and the fire-engine-red lipstick was painted far past her thin lips. Her watery eyes peered at me through a Lone Ranger mask of Maybelline on a plaster-white face. Her dress had obviously been copied from the wardrobe of Norma Shearer..slip it in while I was taking the exam, only it never seemed quite natural. Have you ever noticed that you..Then what do you mean?".*Tm going to cut her out, Matthew," Amanda's voice said from above me. It was tow but trembling, a breath away from hysteria. "She only comes to dance. I read once about a horse whose tendons were cut just a little, but he never was able to race again..".Haven't I?" said the grey man. He reached under the table and..The cottage in the clearing was still except for a breath of song, wordless and longing, that floated on the air. It was Hinda's voice, and when the hunter heard it he smiled for she was singing tunes he had taught her.."I will try and perhaps die trying," said Jack, "but 1 can do no more and no less." Then Jack filled his lungs and dove headlong into the pool..They were piercing (as against vulnerable) steely-gray eyes that stared defiance from a face all sags and.."How did you know I talked to him and not the side of beef?".Subject: Schedule Compliance in Programming Services Bill, Old Buddy, I think you have problems..".You must have quite an artists' colony here," Amanda said, looking over the collection. Okay, you're getting everything from the decaying food in her gut to her deepest buried childhood fears of an empty echoing house..qualities other readers find valuable, art being of an order of complexity nearer to that of human beings..shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments..at home. She had washed and scrubbed the little cottage till it was neat and clean. She had put new straw..She smiled at them and said, "I am glad you have come for the second piece of the mirror, but it is buried in this frozen shard of ice. Once, when I was a girl, I chopped through a chunk of ice to get to an earring my mother bad dropped the night before in a winter dance. That block of ice was the coldest and hardest ice any man or woman had ever seen. This block is ten degrees colder. Can you chop through it?".In fact, the controls on this machine are unfamiliar, die little viewers you have used all your life have only one knob, for nearer or farther?to move up/down, or left/right, you just point the viewer where you want to see. This machine has dials and little windows with numbers in them, and switches and pushbuttons, most of which you don't understand, but you know they are for special purposes and don't matter. The main control is a metal rod, right in front of you, with a gray plastic knob on the top. The knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny electric smell, but the big screen, taller than you are, is silent and dark. You can feel your heart beating against

your breastbone. You grip the knob harder, push it forward just a little. The screen lights, and you are drifting across the next room as if on huge silent wheels, chairs and end tables turning into reddish silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel dizzy because when you notice the red numbers jumping in the console to your left, it is as if the whole house were passing massively and vertiginously through itself; then you are floating out the window with the same slow and steady motion, on across the sunlit pasture where two saddle horses stand with their heads up, sniffing the wind; then a stubbled field, dropping away; and now, below you, the co-op road shines like a silver-gray stream. You press the knob down to get closer, and drop with a giddy swoop; now you are rushing along the road, overtaking and passing a yellow truck, turning the knob to steer. At first you blunder into the dark trees on either side, and once the earth surges up over you in a chaos of writhing red shapes, but now you are learning, and you soar down past the crossroads, up the farther hill, and now, now you are on the big road, flying eastward, passing all the cars, rushing toward the great world where you long to be.. "Possibly a culture of plants from the Edgar. If we could rig some way to grow plants in Martian sunlight and not have them killed by the ultraviolet. . . ".bade." Amos jumped out of his rags and handed them to the sailor who trotted off toward the Silver Lake Park on the night of the 13th and moved out again on the 19th. The landlady hadn't refunded." Then it says something for his endurance that he was able to pot
