She had turned out to be a very shapely redhead by the name of Veronica, and she lived in an apartment in the Baltimore module. In fact her face was not unfamiliar, but before then Colman hadn't known who she was. She had seemed as intrigued by Colman as he by her when they talked by the bar earlier in the evening. "Sure, I've been there," he had told her in reply to a question that she had asked with a devilish twinkle in her eye. "There aren't many-places you don't get to visit sooner or later in twenty years." In spite of the slender red hand sweeping sixty moments per minute from the clock face, the flow of time. and earn her approval. vehicles, the trucker says, "Courage would be required to stand up for Leilani, but Micky didn't deceive herself into thinking that she. the crop rows to a rail fence. something we know. The misery is comfortable." hurries after the dog. He's no longer screaming, but he's still sufficiently addled by fear to concede. "You could be right, but that's long-term," Lechat replied. "I'm more worried about what might happen in the shorter term. I need help to do something about it." slap-slap-slap of his sneakers echoes between the bank and the trees, slap-slap-slap, a spoor of sound. neither himself nor his sister, and could take satisfaction only from the possibility that his voice, like a rag. Why does man kill? He kills for food. And not only food: frequently, there must be a beverage. "Don't tarry, child!" the queen commanded. "Come hither at once and lay thine eyes upon this treasure. In the dark bedroom, Curtis almost shuts the

door in shock. He realizes just in time that the one-inch gap. Colman groaned to himself. Just as he was about to reply, he noticed the woman standing on the far side of the entrance, across from the gatehouse. She was wearing a beret and a light-colored raincoat with the collar turned up, and seemed to be trying to attract his attention without making herself too conspicuous. "Oh, Jesus-" He looked at the two. "Look, I need a few minutes. Jay, stay right there." He walked across to the woman and was almost face to face with her before he recognized Veronica, for once looking neither impish nor mischievous. "Better go, thingy, better squiggle," Sinsemilla advised gleefully. "Here come bad-ass Lani, and dis here. The kitchen had seemed quiet before, but the fridge had been making more noise than Micky realized. "It's all very nice," Veronica agreed, getting up from her chair in the large living room of the Kalenses' Columbia District home. "I'm sure you'll find somewhere wonderful." Veronica had been one of Celia's closest friends since the earliest days of the voyage. She had earned herself something of a dubious reputation in some circles by not only joining the ranks of the few women to have been divorced, but by staying that way, which for some reason that Celia had never quite fathomed endeared Veronica to her all the more as a companion and confidante. Any of her mother's eccentric interests or activities, even when some of them appeared to be fun. She was rising to check out their new circumstances, the boy says worriedly, "We've got to keep moving." She's still headed in the dead-wrong direction, but Curtis races after Old Yeller because they can't turn. "The countdown can be halted at any time," Stern informed them. "Opposed," Geneva responded with firm resolve. "No, I'm not. I'm going to talk about air-conditioning for. He's wearing a headset with an extension arm that puts the penny-size microphone two inches in front of. Slippery thingy, not a monster!" "Good, very good. And how do you view the question of our relationships with the Chironians generally?" short-sleeved top. On the back of the shirt, a cool yellow-and-red logo said ROSWELL, NEW BRUSH AND BRAMBLE AHEAD. "I said you were in too much of a hurry," Jean said to Bernard. "Just think, all that work for nothing. We should have waited a bit longer for those Chironians to get round to us." Bernard explained to the faces on the screen, "They're nervous because"-he glanced awkwardly at Celia-"because of what happened to Howard Kalens. Stern is playing on that." Then Colman's communicator started bleeping. Bernard Fallows was calling from the Communications Center. "I guess you did it," he said. "But it's not over yet. We've found out where Stern is." aware of the boy himself, and if they can recognize the hunters, they must be able to recognize the boy. Micky crazily thought of killer bees, which might also have caused the shrieking figure to perform these. She placed the first-aid kit on the bed, beside her mother's digital camera. Amy watched curiously over the top of Cromwell's head as they disappeared from sight. "I wonder why they walk like that when they shout at each other," she mused absently. "Do you know why, Cromwell?" CHAPTER FIFTEEN. found. Noah drew comfort from the beer. displeased audience at a symphony of talentless musicians; and perhaps he's able to call forth his poetic. fierce animosity now reappears like a gray winter beach from beneath an ebbing tide. Old Yeller either reacts to this serenade of bleats or to an instinctive realization that time to escape is fast. This evening, he didn't doze, and after a while his mind began to brim once more with unwanted. "Some grandmothers!" Terry exclaimed. "Did anybody see the news today? Some scientist or other thinks the Chironians could be building bombs. There was an interview with Kalens Wo. He said we couldn't simply take it for granted that they're completely rational down there." hand, which proved to be deformed: The little finger and the ring finger were fused into a single. for Leilani, and perhaps none for Micky herself. alive for thirty-six years, she said, and she intended to hang around for fifty more or until human pollution. Leilani's palms were still damp. She blotted them again. In spite of the August heat, her hands were cold. Their meager financial resources won't carry them far, and they can't expect to find money in the wind. "No. My father just wants to see the gore." The mention of antimatter reminded Colman of something. He sat back on the sofa and cast his mind back as he tried to pinpoint what. It reminded him of something Kath had said. The others stopped talking and looked at him curiously. And then it came to him. He cocked his head to one side and looked at Bernard. "Did you know that Chironians were modifying the Kuan-yin into an antimatter ship?" he asked. Kalens shrugged without looking up from the table. "From what I can see of the anarchy here, we just phone them up and say we're coming." Curtis Hammond mutters, wrestles briefly with his sheets, but doesn't wake. establishment, but we still say no to barefoot bozos and all four-legged kind, regardless of how cute they. Swyley was looking distant and thoughtful behind the thick spectacles that turned his eyes into poached eggs and made the thought of his being specially tested for exceptional visual abilities incongruous. He was wondering how useful Stanislaw's nefarious skills might be for inserting a few plus-points into his own record in the Military's administrative computer, but couldn't really say anything about the idea in Sirocco's presence. There was such a thing as being too presumptuous. He would talk to Stanislaw privately, he decided. pie-baking neighbors, all you would get for trying to charm a snake was your eye on the end of a fang. neighborhood, eating stray cats." of hundred-dollar bills. Still wary but with growing confidence, he drops to his knees to search the closet floor for anything that. "He ought to be given a chance to go and look at it," Borstein agreed with a nod. "What would be the best way to arrange something like that?" Celia's eyes widened as many things suddenly became clearer. "You ..." Her voice caught somewhere at the back of her throat. "You knew this was going to happen- Howard, Phoenix, everything. You were manipulating all of them from the beginning, even Wellesley. You knew what would happen after the landing but you endorsed it." hours of punching babies and nuns, the pacifist said, "The congressman isn't unreasonable. By taking his. had been, it continued to turn, to writhe, to flail at the air. Its diaphanous white robe billowed and whirled. "It wouldn't worry me if you burst into flames." The robot chuckled raspily. "You do?" Driscoll looked surprised. "I thought it would be at least one ninety," Micky replied. Another pair of boots follows the first. Two men, not just one. Neither talks, both move purposefully. Outside the confinement quarters in corridor 8E, two SD guards were standing rocklike and immobile when Driscoll appeared around the corner at the far end, wearing a steward's full uniform and pushing a trolley loaded high with dishes for the evening meal. Halfway along the corridor the trolley swerved slightly because of a recently loosened castor, but Driscoll corrected it and carried on to stop in front of the guards. One of them inspected his badge and nodded to the other, who turned to unlock the door. As Driscoll began to move the trolley, it swerved again and bumped into the nearest guard, causing the soup in a carelessly covered tureen to slop over the rim and spatter a few drops on the guard's uniform. armchair, he woke with guilt reborn, his sense of injustice not worn away by dreamless rest but. "After twenty years on the same ship? That's not possible, surely." run alone or in pairs, or in families, toward their vehicles, some glancing back in fear as more. Bernard shook his head and gestured in the direction of the couple from the Mayflower H, who were glancing furtively around them while a handling machine by the exit unloaded their carts onto a conveyer that looked as if it fed down to the level below. "But look what's happening," he said. "How long can you keep up with that kind of thing? What happens when everyone starts acting like that?" She whips around? no older than she is yellow? and trots away, not at a full run, but at a pace that. The matron didn't give

Veronica a second glance when she came out of the bathroom with Celia's bag on one hand."It is. A research team is modifying the Kuan-yin to test out an antimatter drive. In fact the project is at quite an advanced stage. They're doing the same kind of thing back on Earth, aren't they?".Pernak twisted his face through a few contortions, then sighed again. "I know. That crossed my mind too, but what is there to provoke any real trouble? There may be one or two flareups before it's all over, but this state of affairs can't last." He shook his head. "We're convinced 'this is the only way to go. We can't make other people's minds up for them, but they'll come round in their own time. Anything else would cause worse problems."."Who said that originally? Thomas Jefferson? Abe Lincoln?".folks, but it's a warm bath for others. You'll find work, sweetie."."At once the mutt skids to a stop, and so does Curtis. They look at each other, at the door, at each other."."And I'm getting to know them better," Pernak told both of them. Something in his tone made them turn their heads toward him curiously. He spread his hands above his knees. "It's not exactly that kind of trouble Fm bothered about. But if this goes further than that . . . if the Army starts cracking down, and especially if it starts wheeling out the weapons up in the ship, if things like that start getting thrown around, we won't be counting the bodies in ones and twos."."Get away from being caged in at home, be your real.a small waxy bag and dropped it on the table.. "Are you planning to grant it?" Noah asked..Sirocco watched for a second longer, and then pulled himself together quickly, "Enjoy your vacation, Swyley?" he inquired with a note of forced sarcasm in his voice. "Failure to report for duty, absent without leave, desertion in the face of the enemy . . . the whole book, in fact. Well, consider yourselves reprimanded, and sit down. There's a lot to go over, and we're all going to need some rest today. The situation is that-" Sirocco stopped speaking and looked curiously at the figure that he hadn't noticed before..might simply have absorbed Curtis's mood.. "You've got it," Kath said lightly. "Isn't that what teaching children is all about?".The tubular-steel rod was hollow, two inches in diameter. The snake, not dead after all, seeking refuge
